

SULLAMUSSALAM
SCIENCE COLLEGE

Academic Plan for the year 2024-25

DEPARTMENT OF ECONOMICS

SULLAMUSSALAM SCIENCE COLLEGE

AREEKODE

Setting Up Standard On Culture of Learning

About Us

In 2013, the College started the B.A. Economics program under the self-financing scheme with an enrollment capacity of 40 students. The following year, the Government of Kerala approved the B.A. Economics course for the aided sector, prompting the college to transition the programme from self-financing to aided. Currently, the department is staffed by three full-time faculty members.

Aspire to be a top hub for economic thought and education, prioritizing innovation and excellence in addressing global economic challenges and thoughts particularly focusing on the needs of rural areas and minority communities.

The Department of Economics fosters critical thinking and analytical skills in a dynamic learning environment. Rooted in social responsibility, we prioritize research and education addressing economic challenges in rural and minority communities. Our goal is to empower diverse students to lead and drive positive change in complex economic landscapes.

Programme Offered

BA Economics

GOALS & OBJECTIVES

The basic objective of the department is to make one of the best quality Departments in University of Calicut and there by entire Kerala, in terms pass percentage, employability/placement of students, higher studies and research. Department of Economics also entitled to uplift the minority community by enriching the knowledge of current competitive academic world in order to equip them in to the vibrant academic culture, by keeping the moral, social and cultural values of the existing society.
